Note to File	20-053	30-Oct-20	10-Apr-20	10-Apr-20	Pohorence, Steven A Ofc [1936]	Force - Unnecessary	<p>On April 10, 2020, Officer Pohorence responded to a call for service with regards to a suspect, Thomas Righetti, trespassing. Officer Pohorence arrived on scene and observed Mr. Righetti on the property sleeping with an open beer next to him. Officer Pohorence advised in his report he woke Mr. Righetti using his foot to tap him. Mr. Cerio and Mr. Abrams recorded part of the incident and accused Officer Pohorence of kicking Mr. Righetti. It should be noted Mr. Abrams and Mr. Cerio never made a formal complaint. Mr. Culwell viewed the incident live on YouTube and filled out the Police Employee Review/Complaint Form advising the officer did nothing wrong and was just trying to get Mr. Righetti's attention. The incident was reviewed by the Office of Internal Affairs. Upon review of Mr. Abrams and Mr. Cerio's YouTube video, independent witness statements, and BWC indicated there was no force used on Mr. Righetti. The evidence corroborated Officer Pohorence's written account. This matter will be closed pending new information.</p>
